## **Semester Project**

### **Overview:**

The project has both an Old Testament, and a New Testament component. After studying each of the textual components, the student is to produce both a written description of their study and a presentation that will be given in class on May 17, 2018

Both studies should include

- phrasing of the indicated study text
- Identification of key nouns and verbs, followed by Word Studies including:
  - Study from commentary / lexicon / dictionary-
  - Study, looking for other usages – both contrasting, and supportive
- Identification of key phrases, and how they tie together to accomplish the sense of the text(s).
- Citations for any material that is obtained by other than observation of the Biblical Text.

### **Old Testament Study:**

This study has the text in three parts: (10 verses total)

Gen 12:1-3 - Abrahamic Covenant

Gen 22:17-18 - Restatement Abrahamic Covenant

Gen 26:2-6 - Restatement Abrahamic Covenant to Isaac

Key elements of the study should look at:

- The statements of the covenants - What God has promised
- Conditions under which these events occurred

### **New Testament Study:**

This study has the text in one part: (10 verses total)

Ephesians 2:1-10 - By Grace through Faith

Key elements of the study should look at

- What was the initial status of the Believer?
- What has God done?
- Why has God done it?
- What is the final status of the Believer?
