1. On Time reading means that the passages were read, prior to the start of class.
2. Reading Late, will result in a loss of 50% of the daily reading points.
3. Audit Students have a limited reading assignment which is indicated and highlighted by the PEACH color above and is limited to only the HBA text with a slightly relaxed reading rate. For audit students, both the SWAI, and the HPKP texts are optional, but recommended.
