DISCUSSION QUESTIONS

#43.5

In view of our cultural understanding, do you see any further insights into how and why Solomon could have allowed foreign worship to enter Israel?

If so, What?

#45.5

Do you see any similarities between the monarch/prophet tension and the current discussion in the Church about the relationship between holding to a traditional ideal versus using relevant resources in the name of stewardship for the sake of reaching our culture?

Please articulate your insights.
