

CONTEXT

Part 1:

- Using Google, Youtube, and any supplemental texts, study a city/village in Israel.
- That study should include:
 - Biblical & Historical significance of the city
 - Topology of the local terrain
 - Including creek/river/lakes/springs
 - Mountain/valleys
 - Roads into and out of the city.
 - Basic layout of the city/village
 - Anything else that you may discover

SUGGESTED CITY/VILLAGES

- Bethlehem
- Nazareth
- Capernaum
- Beer Sheba
- Beth Shean

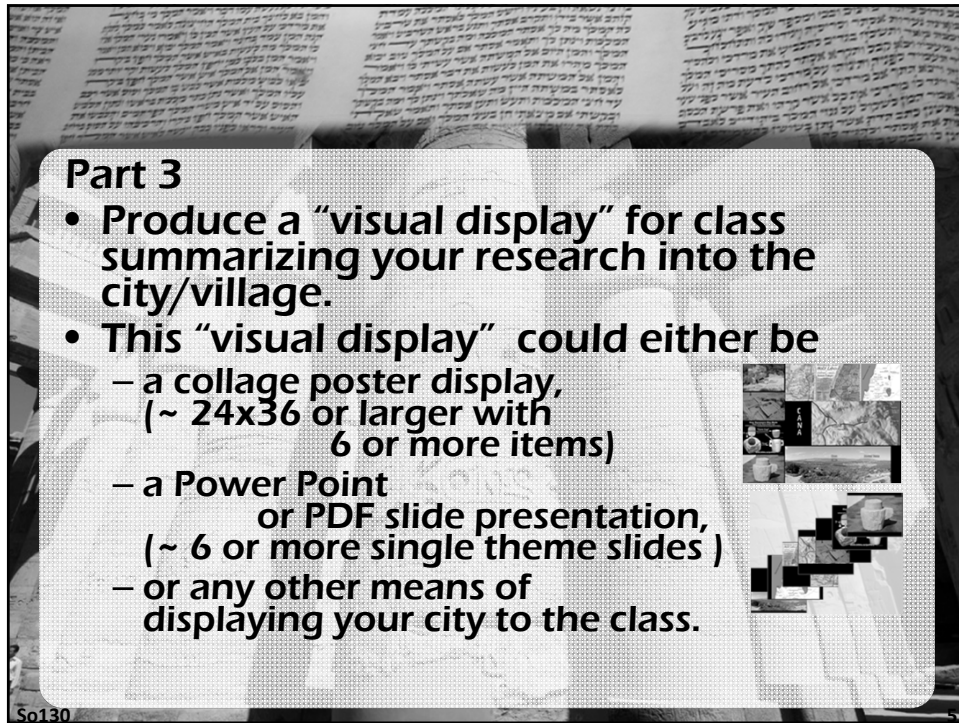

Please coordinate your selection so that you all do different city/villages. 😊

Part 2:

- Produce a 1 -1.5 page summary of your research on the city focusing on the Biblical and Historical background for the city/Village

So130

Part 3

- Produce a “visual display” for class summarizing your research into the city/village.
- This “visual display” could either be
 - a collage poster display, (~ 24x36 or larger with 6 or more items)
 - a Power Point or PDF slide presentation, (~ 6 or more single theme slides)
 - or any other means of displaying your city to the class.
